

SAY BOROUGH IS FORTUNATE ON WATER SUPPLY

Gettysburg's Municipal Authority Board at its meeting Monday evening in its office on Baltimore St., learned that the community "has been fortunate this summer"—it has all the water it needs.

Two million gallons of water in new reservoirs set up last year and pumped full during the times of heavy rainfall helped the town over some tight spots, and remains available if needed, according to reports at the meeting.

At the same time the reports showed the water level at Marsh Creek "low—but not alarmingly so," townswater level.

Reports to the board showed that the town is still able to "get all the water it needs from Marsh Creek," and should continue to get enough water if some rain falls in the near future.

But just in case, the engineers told the board, the water softeners installed during the last year have been readied in the event the water supply need be supplemented by water from the huge well of the municipal authority. The well is extremely hard, as residents of the town found several summers ago when it was necessary to supplement the water from the creek. The softeners however are to alleviate that hardness if the need ever comes to use water from the well again.

Greatest advantage of the well, the engineers held, is that it should provide all the water the town needs—with certain curtailments to prevent waste, such as stopping auto washing and similar uses of water—even if there should be no rain for so long a period that the creek would not be able to furnish any water to the town.

Other business Monday night included the addition of \$5,000 to the sewer reserve and \$4,000 to the water reserve, bringing both to \$25,000 each. The reserve is being built up under a program by which the money may be used for emergencies, or if none develops, will be used to pay off the last bonds at the end of the term of the bonds.

Also voted was a resolution calling for public notice to be given of all meetings and an annual listing of dates for stated meetings.

Report Survey Shows Hospital Is "Too Small"

First returns in the survey of public opinion, being conducted by the community relations committee of the Annie M. Warner Hospital, show that although area residents have a high regard for the hospital, they believe it is too small to meet the health needs of the community.

Wilbur A. Bankert, president of the board of directors, announced that replies received thus far to the 3,200 questionnaires sent out recently reveal 90 per cent of those answering would go to the Annie M. Warner Hospital now if they needed hospital care, and 95 per cent believe the hospital is managed efficiently.

Cite "Kindly" Attitude

In addition, more than eight out of every 10 persons found the attitude of nurses and attendants toward patients either "kindly" or "sympathetic."

It was pointed out, however, that almost as many residents—some 87 per cent—thought the hospital was neither large enough, nor well enough equipped "to serve adequately all who may apply for care."

Bankert said a first analysis of the returns showed both "a widespread knowledge of the hospital and awareness of its present limitations."

"It also shows," he added, "that the people of this area are determined to have the highest possible standards of modern hospital care."

Many Favor Appeal

Proof of this, he explained, lay in the fact that more than 90 per cent of those replying to date were convinced that the "hospital care offered this community ought to be kept abreast of the most advanced

Beck Approves Strike To Cut Milk Supply Into New York

NEW YORK (AP) — Teamsters Union tank truck drivers went on strike last night, crippling delivery of the bulk of the metropolitan area's raw milk supply.

Employers estimated that the 1,150 striking truck drivers haul 95 per cent of the raw milk later processed for the area's 12 million customers. Union sources estimated it at 75 per cent.

The strikers haul milk in tank trucks and box trucks from upstate New York dairy farms to distribution and processing plants in the Hudson Valley area and New York City.

The strike's full effect may not be felt for two or three days since some milk already is in processing plants and many households have a supply.

Farmers Are Victims

Spokesmen for two dairymen's groups said milk farmers were "innocent victims" of the strike and it would cost them a million dollars daily.

The strike announcement by Thomas L. Hickey, Teamsters Union international vice president, apparently came somewhat as a surprise to the Dairy Transport Assn., representative for 20 milk delivery concerns.

Building Permits Issued By Burgess

Burgess William G. Weaver has issued four building permits to the following persons:

Russell Hartman will erect a concrete block one-story addition at 136-138 Chambersburg St., at an estimated cost of \$400. The addition will be nine feet by 22 feet with a composition shingle roof and no chimney.

John E. Snyder will erect a brick and frame one-story house on the proposed street east of Long Lane at an estimated cost of \$14,000. The building will be 25 feet by 53 feet with a composition shingle roof and flue-lined chimney.

Galt S. Weaver has received a permit to erect a four by 12-foot porch with steel support and flat roof at 34 S. Washington St. The cost is estimated at \$200.

George F. O'Connor will make alterations to a garage door at 132 E. Middle St. at an estimated cost of \$25.

ROADS BOARD DROPS CHARGE

The charge against Maynard Stuckey, Cashtown, for obstructing a public highway, old Route 30, by building a ramp as a means of access by motor vehicle to his summer cottage in Franklin Twp., has been dropped, according to Justice of the Peace Robert P. Snyder this morning.

The information was filed before Snyder by Robert Hall, Orrtanna R. 1, chairman of the Franklin Twp. road board. Stuckey has been free on \$300 bail. The charge stated Stuckey did not comply with "an official request to remove the obstruction. Hearings on the charge were begun August 9.

Stuckey declared he has not obstructed the road. He said his cottage, across the highway from Caledonia Manor, has 33 steps leading up to it and that tenants complained of the strain of walking the stairs. He said he build a ramp which he says does not obstruct the old highway. The new highway is not involved.

Stuckey claims that he repaired the old road which permits two cars to pass each other "with ample space." He also said that he did not receive damages when the new road was built and that only 20 feet remain as a rightaway.

TREATED FOR INJURIES

Dale Witherow, Gettysburg R. 5, Bonneauville ballplayer, was treated at the Warner Hospital for a chipped bone in the right leg suffered in a baseball game Sunday.

Chester Masser Jr., 2, son of Mr. and Mrs. Chester Masser, Emmitsburg, was treated at the Warner Hospital Sunday for a cut lower lip suffered when he fell on concrete.

(See Picture On Page 6)

Sixteen-year-old Anna Mae Stambaugh, York Springs High School junior and daughter of Mr. and Mrs. George Stambaugh, Gardners R. 1, was chosen as Adams County's Peach Dessert Queen Monday afternoon in a contest conducted at Bob's Diner, near Aspers.

Second place honors went to Pamela Wolff, daughter of Mr. and Mrs. Burton Wolff, Gettysburg R. 3, who will be a sophomore at Biglerville High School in the fall; while third place was awarded to Martha Zepp, daughter of Mr. and Mrs. Herbert E. Zepp, Gettysburg R. 4, a sophomore at Gettysburg High School.

Miss Stambaugh will represent the county Saturday in the state peach dessert contest to be conducted at 10 a.m. in the Metropolitan Edison Company kitchens at York. Winners from six other counties will be competing for the state title. The contest is being conducted as part of the observance of "Pennsylvania Peach Time" which opened last week and climaxes Saturday.

Gifts Presented

The Auxiliary of the Pennsylvania State Horticultural Association is sponsoring the contest.

Besides her trip to York and a chance at the state title, Miss Stambaugh won a photo album Monday for her creamy peach pie that was judged the best of the eight entries. Miss Wolff received a bracelet for her peach pie and the third prize was a set of scatter pins for Miss Zepp.

There was a hand-painted tray for each of the eight contestants. They were in addition to the winners: Nancy Baltzley of McKnightstown; Ellen Sites, Audrey Adlesberger, Jean Sites and Loretta Byers, all of Fairfield.

CAMP COLT VETS HAVE REUNION AFTER 40 YEARS

A reunion of two veterans of the old 4th Regiment which came to Gettysburg in 1917 and split into three regiments as part of the Camp Colt development here, was held Saturday at the home of Ralph C. Geiselman, Baltimore St.

The two were Charles R. Springman, of Brownsville, Texas, and Berg, Switzerland a retired customs broker, and Frank Moticka, Hanover St. plumber.

Springman entered Company L of the 4th Regiment in 1913, and went with 1 to Brownsville, and then to Mexico for the engagement U. S. forces had there just prior to World War I. Moticka joined Company L in 1915. The two became friends.

Mrs. Sallie Bender Is Interred Today

Funeral services were held from the Bender Funeral Home this afternoon for Mrs. Sallie M. Bender, 83, 38 E. Lincoln Ave., widow of J. Mervin Bender who died Sunday evening at the Warner Hospital of a heart attack.

The Rev. John S. Bishop officiated. Interment was in the New Oxford Cemetery. Pallbearers were: Wyles Kleinmiller, Robert Snyder, Frank Skidmore, Clair Feard, Clifford Naugle and Marvin Socia.

ADmits ASSAULT COUNT

Miguel Lopez, 256 S. Washington St., pled guilty to an assault and battery charge at a hearing before Justice of the Peace Robert P. Snyder Monday night and was returned to the Adams County jail in default of \$500 bail. The information was filed before Snyder Saturday night when Ruth Davis, W. High St., reported to borough police that the Puerto Rican had struck her Friday night. Lopez was arrested and lodged in jail in default of bail for the hearing.

Air Force Doctor In Plastic Balloon Sets New Altitude Mark; On Way Up Again Today

CROSBY, Minn. (AP) — Warmth from the rising sun sent the huge helium-filled Air Force balloon and its doctor-pilot back up toward the 100,000 foot mark early today, temporarily delaying a descent.

An Air Force flight evaluation team stationed in Minneapolis said new calculations were being drawn in an attempt to determine where Maj. David G. Simons would land the balloon and its sealed, instrument-laden gondola after a possible second altitude mark.

Maj. Simons reached an estimated 100,000 feet, about 19 miles, yesterday in his first 15 hours aloft, spending a night in the heavens he termed "indescribable."

Planned Descent Cancelled

At 10:30 a.m. the balloon was reported about 60 miles west southwest of Wahpeton, N.D., at an altitude of 90,000 feet. Flight evaluation officers said Maj. Simons had no order to descend. The planned descent to start at 7:30 a.m. was cancelled when the balloon started to rise as helium ex-

\$587 IS RAISED FOR R. WEIKERT MEMORIAL FUND

The Ricky Weikert Memorial fund totalled \$587, Glenn L. Bream, President of the Big Little League announced today. The final tabulation and report was completed at a League meeting at the Elks home, York St., Monday night.

However, this does not constitute the entire amount in the fund. There were 587 tickets at one dollar each paid for the playoff games. In addition there were two anonymous donations totaling \$750 which swelled the memorial fund to \$1,337. Shortly after young Weikert was fatally injured in a ball game the insurance company check of \$1,500 was paid to the family.

President Bream, in announcing the results, said:

"It is very gratifying and encouraging to note the generous and widespread response to the spontaneous appeal for the Ricky Weikert memorial fund. Tickets were purchased by many persons, many of whom are not personally interested in baseball. This speaks well for Gettysburg and is evidence that worthwhile appeals are generously responded to by the majority of our residents."

Plan 2 Dugouts

Roy Hammond, chairman of the Dug-out Committee, whose membership comprises the managers and Russell Maitland, representing the Elks and the Rec Board, said he plans to start work on two new dugouts in the very near future. He said the committee is sorely in need of materials, such as roofing, lumber and cinder blocks and as soon as these are available the work will start.

The League also plans to improve the field. Managers will work with the Rec. Board to fill in low spots, place some new topsoil and generally condition the playing area.

The bronze plaque designating the field as the Ricky Weikert Field will be placed and dedicated at the first game next season.

COMPANY E TO HOLD REUNION

"Company E" of the 728th Ordnance Regiment, 28th Division, Gettysburg's pre-World War II National Guard unit, will hold its second annual reunion Saturday and Sunday.

The company was called for federal duty in February, 1941, before Pearl Harbor, and remained intact, with the exception of a change in name, throughout World War II. Most of the local men who were with the unit at the time it left for training in 1941, before America knew it was going to be embroiled in World War II, remained with the outfit throughout the war.

Last year 117 persons, of whom 65 were original members of the company, and the remainder wives and guests, attended the reunion held here. Officers said they anticipate as large a turn out again this weekend, and that members will be here from several states.

President Harold Sharpe said the reunion will start Saturday afternoon at the VFW home, E. Middle St. A dinner will be served in the evening. Sunday the group will tour Gettysburg museums.

FEATURAMA AT WARREN SALES

Specially designed animated displays of fuel injection and other significant mechanical advances in 1957 Chevrolet cars and trucks are highlights of an "automotive featurama" which will appear at Warren Chevrolet Sales, Lincolnway East, Wednesday, Thursday and Friday from 10 a.m. to 10 p.m.

Known as the Chevrolet Featurama, the road show introduces newly built exhibits which bare inner workings of complex car and truck mechanisms in a way that makes them easy for all to understand.

Among the showpieces are informative animations on fuel injection, the new Turboglide automatic transmission, a truck power team, an actual laboratory twisting test on a rear axle, and a swirling fountain dramatizing the function of a V8 engine water pump.

CRAB FEED WEDNESDAY

The Gettysburg Moose Lodge will hold its annual crab feed for members Wednesday evening from 5:30 to 9 o'clock at the former CCO camp on W. Confederate Ave., Governor Irvin Seidhamer announced today. Hundreds are expected to attend the annual event.

High School Band To Assemble In Uniform

Robert G. Zeigler, director of the Gettysburg High School Band, has announced that the band is to report in uniform on Wednesday evening in the northeast section of Lincoln Square at 8 o'clock to present a concert prior to the plaque dedication program by Miss Pennsylvania.

Following the program the band will return to the high school to continue its regularly scheduled rehearsal until 8:30 p.m.

On Saturday the band will play its final engagement of the summer season when it journeys to Harney to play for the VFW picnic. Buses leave at 7:15 p.m. and will return at 11:45 o'clock.

HILGER RESIGNS AS RECREATION DIRECTOR HERE

Chester J. Hilger, recreation director for Gettysburg for the last year, will leave here September 15 to accept a similar position at Huntingdon, Pa.

The resignation of Mr. Hilger, who accepted the local post June 1, 1956, was accepted "with great regret" by the board of directors of the Gettysburg Recreation Association at a special meeting Monday evening at the fire engine house, E. Middle St.

Recreation Board President Kenneth Dengler summed up the feeling of the board by saying: "This is a great loss to Gettysburg but at the same time we feel that it is an advancement for Mr. Hilger. He has done a wonderful job for recreation in Gettysburg and I only hope that we can keep in operation the splendid program he has set up

DIES SUDDENLY IN BIGLERVILLE

Mrs. Alice A. Deardorff, 81, widow of George E. Deardorff, died suddenly late Monday morning at her home in Biglerville. Dr. C. G. Crist, Adams County coroner, said the death was caused by a coronary occlusion.

A daughter of the late John A. and "Ovina" (McCans) Fohl, she was a native of Butler Twp. and resided since 1912 in Biglerville, where she was a member of St. Paul's Lutheran Church. Her husband, the late George E. Deardorff, died in 1947.

Surviving are three sons: John W. Deardorff, Biglerville; Grayson O. Deardorff, Baltimore, and G. Wilmer Deardorff, York; two grandsons, five great-grandsons, a great-great-grandchild, and a brother, Guy J. Fohl, Biglerville.

Funeral services Wednesday afternoon at 2 o'clock from the Bender Funeral Home, Carlisle St., with the Rev. Dr. H. W. Sternat officiating. Interment in the Biglerville Cemetery. Friends may visit the funeral home this evening from 7 to 9 o'clock.

Judge Sheely Will Attend Conference

Judge W. C. Sheely will attend the sixth annual meeting of the Pennsylvania Council of Juvenile Court Judges August 30 and 31, 1957. The meetings will be held in Trickett Hall on the Dickinson Law School campus, Carlisle.

The first meeting will be held at 10 a.m. on Friday at which time O. D. Shipley, director of the Bureau of Highway Safety, will join in a discussion of the problem of jurisdiction over juvenile offenders of the vehicle code.

In addition, there will be a report of the action of the Legislature on matters affecting the Juvenile Court, election of officers, and a dinner and visit at White Hill on Friday evening.

The judges will be housed in the Sadler Cutilage, the Law School dormitories.

FOUR INDICTED; IMPROVEMENTS AT COUNTY HOME RECOMMENDED

The August Grand Jury Monday handed up indictments against four men, then spent two hours visiting the county buildings and returned with a report finding the "court house and jail in satisfactory condition," and recommending that the county commissioners make some renovations at the county home "until we hear from the committee" making a study of the needs of the county home.

Indicted were Edgar J. Swearman, Gardners R. 2, morals charge; Frank W. Dearing, 250 W. High St., pointing and discharging a shotgun in Gettysburg on June 29; Lloyd Richardson, Orrtanna R. 1, morals charge, and Joseph E. Brown, Hanover R. 2, hit and run and failing to reveal identity at the scene of an accident.

The grand jury reported it found guests at the county home "very happy with the living conditions and food."

Grand Jury's Report

The complete report as handed up to the Adams County court by Willis L. Weikert, foreman of the grand jury, follows:

"We the members of the August Grand Jury have visited the Court House, the jail and the institution district buildings. We found the court house and jail in satisfactory condition. We were glad to note that there was an absence of women inmates in the county jail.

"We understand that there is a planning committee which is making a survey of the County Home; therefore, until we hear from that committee, we feel that the county commissioners should in the very near future do something relative to the condition of the walls and interiors of some of the buildings and modernize the kitchens. In talking with several guests they informed us that they were very happy with the living conditions and the food."

Guiltily Of Contempt

James E. Ketterman, Gettysburg R. 2, was found guilty of contempt of court during Monday's session for failing to keep current a support order. He was placed in custody of the sheriff until an arraignment of \$30 is paid.

John F. Shuff, Hanover R. 5, was placed on parole for one year. Shuff had been sentenced February 9 to from six to 12 months in the Allegheny County workhouse on a charge of setting up and maintaining a gambling establishment near Abbottstown. The court told Shuff it hoped he had learned that it does not pay to set up gambling establishments in Adams County. The court also directed the return of the \$500 cash bail Shuff had posted upon his original arrest.

MODERN YOUTH IS SUBJECT FOR KIWANIS TALK

Dr. W. E. Tilberg, dean emeritus of Gettysburg College, addressed the Kiwanis Club at their meeting on Monday evening at Banker's Restaurant, on "The Youth Of Today."

Dean Tilberg said young people "often are an enigma" to older generations because they have in them all the potentialities of what they can be and "it is our responsibility to direct the development of their talents. Youth needs evenly balanced discipline and self-development."

Presenting statistics on youth behavior of today, the speaker said that the most serious youth problems occur in middle class families in homes where home life is not happy.

He also said Adams County is fortunate in that the youth problem here is "a very minor one" in comparison with many other places, especially large cities. He said approximately 123 youths are on probation in Adams County, most of them for reasons that would not be noticed in the larger cities with the most serious cases being sent to institutions. He said the greatest problems arise from youths' use of the car and the lack of parental supervision.

Dean Tilberg expressed optimism in the coming generation, in that "it will probably be better than the present one when they realize their responsibilities."

Jacob Yingling, a member of the Westminster Club, was a guest.

The meeting was in charge of President Harry A. Spangler.

practice, even though costs be increased.

Only four per cent of the answers received favored "cutting expenses without regard to standards of service," if income from all sources failed to meet the costs of running the hospital. An overwhelming majority of 97 per cent supported an appeal to the public for contributions.

Comments on the service of the hospital are included in many of the replies, in addition to answers to specific questions.

"Some of these are highly favorable," Banker said, "and others frankly critical, but all are constructive and will receive the most careful consideration by the hospital's board of directors."

Some typical comments follow: "My wife and I have been in the hospital within the last two years and we both can truthfully say that the doctors and all others of the hospital staff were wonderful."

"Services are excellent and staff is quite competent. I doubt if you can do any better elsewhere so far as staff and services are concerned. Physical expansion and modernization of old section are definitely needed, and, of course, expansion of staff and nurses as facilities grow."

"We have always found conditions at the Annie M. Warner exceptionally good."

"I feel that an effort should be made to serve better food to patients at the hospital. I've heard many, many complaints about the food."

Littlestown COUPLE WILL GO TO SERVE IN MISSION FIELD

The Rev. and Mrs. Kenneth D. Sell, New Bloomfield, will leave on Friday as missionaries to Honduras for a term of three years.

Pastor Sell, son of Mr. and Mrs. Stanley R. Sell, E. King St. Ext., was graduated from the Littlestown High School in 1946; Ursinus College, Collegeville, in 1950, and the Evangelical and Reformed Seminary, Lancaster, in 1954. For the past three years, he has served as pastor of Trinity E. and R. Church, which includes Trinity Church, New Bloomfield; Christ Church, Duncannon, and St. John's Church Markleville.

Mrs. Sell, the former Betty Haas, is the daughter of Mr. and Mrs. William Haas, Copley, Pa., R. 1. She is a 1946 graduate of North Whitehall High School; a 1950 graduate of Ursinus College, and received her Master's Degree in Lancaster Seminary in 1953. They are the parents of two children, Peter, age three and a half years, and Rebecca Anne, ten months.

The family will leave on Friday from the Philadelphia Airport for San Pedro Sula, Honduras. Following a week's stay in Honduras, they will go to San Jose, Costa Rica, for a year of study in the Spanish language. Pastor and Mrs. Sell have been accepted as missionaries by the Board of International Missions of the Evangelical and Reformed Church as life appointees, with a first term of three years.

"URGE TO ROAM"

I've often wondered why it is . . . folks always look afar . . . for bits of joy they seek to find . . . are close to where they are . . . mankind is ever reaching . . . to hidden far-off places . . . when happiness is lingering . . . in things before their faces . . . it seems as though a magic force . . . makes mankind yearn to glide . . . across the hills to try and see . . . what's on the other side . . . I am no stranger to this call . . . and so I cannot blame . . . the people who have longings that . . . only the years can tame . . . for I've known men who spanned the world . . . theirs was the urge to roam . . . until at last they finally found . . . their happiness was home.

NAB COUNTIAN IN HANOVER CASE

Joseph J. Balek, 18, East Berlin R. 1, was arrested by Hanover police while William E. Imier, 20, Hanover, was apprehended by Chief of Police Mannard Masemer, McSherrytown, on charges of larceny and trespass Saturday.

The charges were preferred by Harry Cramer, of the Simpson and Cramer Tire Sales, Hanover. An additional charge of disorderly conduct also was lodged against Balek by Thomas Marshall, proprietor of Marshall's Diner, Hanover.

Cramer alleged that the two youths cut the air hose from a truck parked at his place of business early Saturday morning and had used the hose to siphon gasoline from that and other trucks and had also taken other pieces of equipment from the tractor. The charges were filed before Justice of the Peace William Y. Nail Jr., of Penn Township, in which area the offenses were committed. At a hearing Saturday afternoon before Nail, Balek, on withdrawal of the larceny charge, paid \$50 to cover restitution for hose and gas, then paid \$10 on each of the other charges, plus the costs.

Imier, in default of a bond of \$500, was committed to the York County jail for a hearing before Justice Nail next Tuesday on the larceny and trespassing charges.

19th Applier-Mackley Reunion Held Sunday

Charles Applier, Baltimore, was elected president of the Applier-Mackley reunion at the 19th reunion held Sunday at the Arendestville Union Park with 80 members and guests attending. Other officers elected were Robert Kehl, Gettysburg R. 5, vice president; Mrs. Romaine Applier, Gettysburg R. 5, secretary; Irvin Conover, Gettysburg R. 1, treasurer.

Kenneth W. Applier, Gettysburg R. 5; Lewis Craumer, Littlestown, and Evan Applier, Littlestown, were named to the grounds and refreshment committee; Mrs. Norman Conover, Gettysburg R. 1; Mrs. Glenn Little and Mrs. Willis Conover, Gettysburg, to the games committee; Mrs. Harold Applier, Branchville, N. J.; Mrs. Guy Conover, Littlestown, and Mrs. Jacob Applier, Gettysburg, to the prize committee, and Mrs. Lewis Craumer, Littlestown and Mrs. Dorothy Applier, Littlestown, to the flower committee.

Prizes were awarded as follows: Youngest child, Janice Kay Conover, daughter of Mr. and Mrs. Irvin Conover; largest family present, Mr. and Mrs. Norman Conover; greatest distance to attend, Mr. and Mrs. Harold Applier, Branchville, N. J. Birthdays of Wayne Conover and Mrs. Lewis Craumer were noted. Evan M. Applier, Littlestown, acting president, presided. Harry Aughinbaugh, Ma Chester, offered the prayer. There was a short business meeting.

Garry Davis Is Released From Jail

HANNOVER, Germany (AP)—Garry Davis, America's self-styled world citizen, was released from a West German jail today, after refusing to pay a 100-mark (\$23.90) fine for violating German passport regulations.

Davis, son of band leader Meyer Davis, was convicted of entering West Germany illegally from France July 27 with his world citizen passport as his only identification. German regulations require a valid passport.

West German authorities authorized the 36-year-old American to remain in the country until Nov. 15.

Saturday at the Earl J. Weaver cottage, near Abbotstown. The group enjoyed swimming, boating, games and a covered dish supper was served. Over 25 persons attended. The next regular meeting of the Auxiliary will take place on Thursday, September 12.

minus fines and costs against him. After a \$300 fine, and \$54 costs were removed, Shuff was given \$146 back.

Also ordered returned by the court, after removal of costs, was the \$500 cash bail that had been posted by Clarence E. Rauhaas for James W. Bowen, when Bowen had been originally arrested on a desertion and non-support charge.

Appeals Dismissed
The court approved a petition to amend the petition of John R. Shoemaker, to terminate a support order against him, and granted postponement of the hearing on the matter to September 16 at 10 a.m.

Approval was given to the petition of William R. Sunday, administrator of the estate of Robert E. Paul, late of Huntingdon Twp., to post bond of \$5,000 to permit him to sell the property of the estate in Huntingdon Twp. to Clair M. and Catherine E. Shultz for \$2,800.

Appeals had been filed with the court by Kenneth E. Baker, Fayetteville R. 2, and Richard E. Fleming, Gettysburg R. 3, from suspension of their auto operator's licenses by the state Department of Revenue. The court dismissed both and put the costs on the defendants. A second appeal of Baker was withdrawn after the first appeal was dismissed, also at Baker's cost.

In connection with the August term of court, Sheriff Dorsey J. Schultz Monday brought David Daniel Keller, McSherrytown, from Eastern Penitentiary to the Adams County jail and today brought Charles E. Eisenhart Jr. from Western Penitentiary. The two men are scheduled for sentence on burglary charges in Adams County court this term.

with the 4th Regiment and Springfield became regimental supply sergeant of the 59th Regiment which was one of the three formed from the 4th.

After service overseas the two returned to the U. S. Moticka to settle down in Gettysburg and Springfield in Brownsville, Texas. Springfield during his stay here had become a close friend of Geismann, who had become acquainted with Springfield at the Sefton Barbara Shop.

Keep Up Correspondence
Springman and Geismann kept up a correspondence over the years and five years ago Springman made a visit to Geismann here. Moticka read of that visit and told Geismann he knew Springfield.

Last Friday Springfield arrived here for a visit with Geismann while enroute back to his home in Switzerland, and Moticka was called. The two veterans spent some hours looking over pictures Moticka had retained of activities of Company L. There was also another reunion held as a result of Springman's visit here. Dr. Albert Bachman of the local college faculty is a native of the same Swiss canton in which Springman was born. They met at Geismann's to talk over old times in Switzerland.

Aside from condition reports, ground crews tracking the balloon said Simons' ratio is used mostly for data to be used in evaluating man's chances for survival in outer space. He also is taking hundreds of pictures.

Col. J. W. McCurdy of the Air Force evaluation team on the ground said Simons had reached the estimated 100,000 feet over Detroit Lakes-Fergus Falls, Minn., last night. The previous mark for manned balloons, 96,000 feet, was set in June by Air Force Capt. Joseph Kittinger in a test run for the current project.

10-Room School Is Destroyed By Fire

SAYRE, Pa. (AP)—Fire leveled the 10-room 2-story grade school in nearby South Waverly today.

Officials said three persons have been taken into custody on suspicion of arson.

Fire Chief Earl Havens said that after the school fire was brought under control, an attempt was made to set fire to the Valley Creamery building a few blocks away. Damage to the creamery building was negligible, the fire chief said.

Havens said the school fire definitely was the work of arsonists.

WASHINGTON (AP)—The Power Commission today considered applications by Texas Eastern Transmission Corp. and an affiliated company for authority to build \$50,279,100 worth of natural gas pipeline facilities.

Texas Eastern asked the commission yesterday to approve its plan to expand by 100 million cubic feet per day the capacity of its system between Opelousas, La., and Uniontown, Pa., at an estimated cost of \$38,208,100.

An affiliate Texas Eastern Penn-Jersey Transmission Corp. asked permission to spend \$11,371,000 in expanding its facilities in Pennsylvania and New Jersey. Both firms have headquarters in Shreveport, La.

REV. H. RINARD PASSES AWAY

Funeral services were held Sunday at Annville, Pa. for the Rev. Herbert A. Rinard, Annville, Pa., a graduate of Gettysburg College and Seminary, who died Friday. Dr. and Mrs. C. S. Raby and Dr. Robert Portenbaugh represented the college at the services.

Rev. Rinard, a native of Breeze-wood, Pa., received his A.B. from the college in 1903, his A.M. in 1906 and was graduated from the Theological Seminary in 1906. He also received an A.M. from the U. of Pennsylvania in 1913, a D.D. from Thiel College in 1940 and from Gettysburg in 1943. He was married in 1923 to the former Marie Elizabeth Rentz, Washington, D. C.

He served as a Lutheran pastor in Leetonia, O., from 1906-09; Pittsburgh, 1914-17; Freeport, 1919-20; chaplain AEF, 1917-19; chaplain U.S.A., 1920. He was also assistant headmaster at Perkins School during 1911-12.

The contestants, who had baked their desserts in advance of their appearance at the diner Monday, were interviewed by the judges and their desserts tasted and criticized before Mrs. Wilmer Diehl, Biglerville home economics teacher, announced the winners. The other judges were Miss Eva Jane Schwartz, Gettysburg High School home economics teacher, and Robert Thompson, proprietor of the diner. Recipes were checked, too, by the judges and hints on means of improving their products were given.

The contest was arranged by Mrs. Frederic E. Griest, chairman of the committee in charge from the state horticultural society auxiliary.

Franklin, Cumberland, York, Lancaster, Lehigh and Berks counties also are choosing queens for the Saturday contest.

Chevrolet's exclusive new triple turbine Turboglide automatic transmission is explained in a five-minute color cartoon featuring another animated character, Mr. Triple-T. While the cartoon runs, the transmission is in operation and its parts can be seen moving through cutaway sections.

Dramatize Truck Power
On another stand a Chevrolet rear axle undergoes an actual laboratory fatigue test. A machine twists a rear axle shaft through a 20-degree arc again and again without bending or breaking it. Truck power is dramatized in a display which unites a Loadmaster 322-cubic-inch V8 engine, Powermatic six-speed automatic transmission and an 18,000-pound heavy-duty rear axle. Moving parts operate continuously, driven by an electric motor, and each unit is fully cut away to reveal parts in action. The work done by a V8 engine water pump is portrayed by a display in which the pump shoots a swirling fountain of water within a clear plastic cylinder. Colored floodlights add to the spectacle.

Funeral Rites Held For J. Luther Hulick

Funeral services for J. Luther Hulick, 79, retired shoe factory employee who died Friday afternoon at his home in New Oxford, were held Monday afternoon at 2 o'clock at the Fred F. Felser Funeral Home, New Oxford, with the Rev. Jack Gardner, Gettysburg, and the Rev. Dr. George E. Sheffer, New Oxford Lutheran pastor, officiating. Interment in New Oxford Cemetery.

The pallbearers were Robert, Lavere, Eugene and Fred Kline, all nephews of the deceased, and George Hulick and Fred Hulick.

SLEICHTER SHOOT 150
Disk Sleichter, Gettysburg Country Club pro, was eleven strokes off the pace with a 36 hole total of 150 in the Philadelphia Open golf championship which ended Monday when Jerry Pisano, pro at the Overbrook Country Club, took the championship with a 36-hole score of 139 at the Springhaven Country Club. Sleichter had rounds of 73-77.

HILGER RESIGNS

for us."

Program Expanded Here
Hilger, who did not attend the meeting, was praised by all members of the board for his work throughout the last 14 months, but the board held his most ambitious achievement was the program carried out this summer on six playgrounds established throughout the borough. Members of the board said they have received praise and commendation from numerous parents on the program, particularly the "tot lots" set up for younger children.

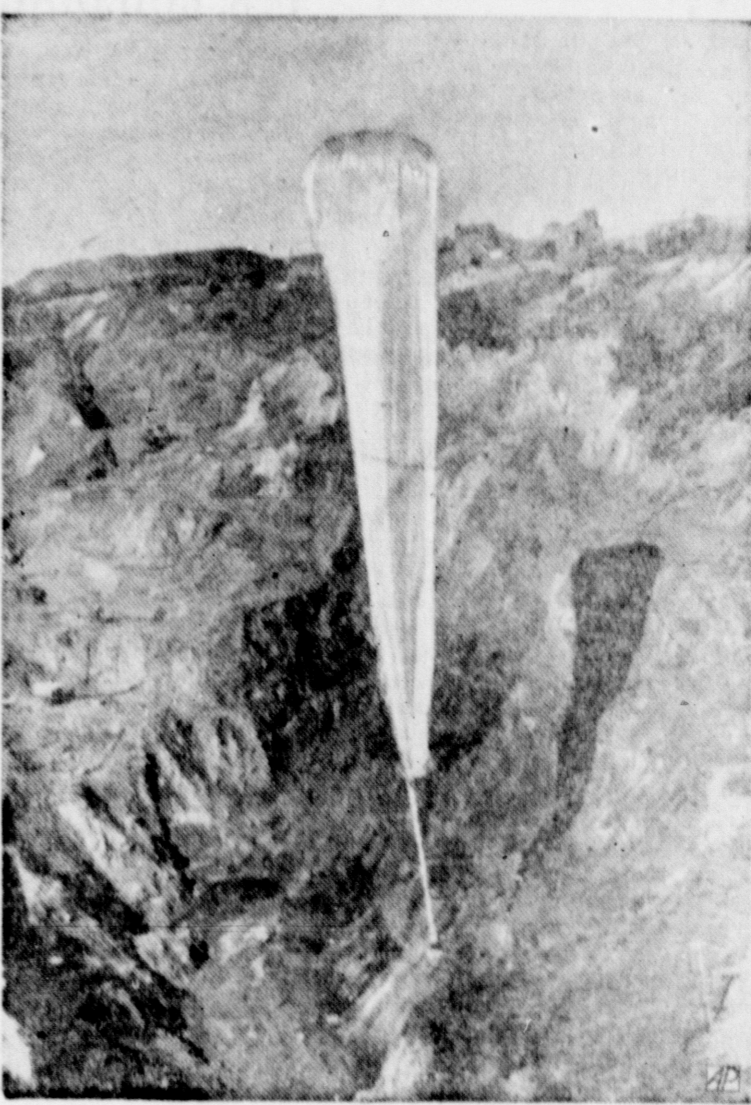

A native of Ambridge, near Pittsburgh, Hilger attended Marshall College and Ursinus, where he received his Bachelor's and Master's Degrees in Physical Education. He served as recreation director at Rockborough, near Philadelphia, and was a science teacher at a Phoenixville School before coming here. A Navy veteran, he was a physical training instructor at Bainbridge and other Navy centers during World War II.

His letter of resignation to President Dengler stated that Huntingdon had "offered me an opportunity which I feel I cannot afford to refuse."

Lack Of Security Here
The letter was dated August 12. President Dengler reported at the meeting that he had spoken to Hilger before calling the special session to "s-s: If I could change his mind." Dengler said Hilger held him that he had been offered "substantially more" than the \$5,000 paid him by Gettysburg. "But," Dengler said, "I think his principal reason, as he explained it to me, was the lack of security of the Recreation director post in Gettysburg. We raise our funds through Community Chest and this is a year to year struggle to determine whether we have enough to carry on a recreation program. I honestly think that if our program were based on tax funds, as are most of the Recreation programs in the state, we may have been able to keep Mr. Hilger."

The Recreation Board, voting to seek a replacement immediately for Hilger, also asked Gettysburg High School Principal Guile W. Lefever, a member of the board and past president, to go over the books of the association to determine the exact expenses during the last year so that borough council can be asked at its November meeting to consider taking over financial sponsorship of the Recreation program on a tax basis. It was estimated tentatively Monday night that a two-mill tax in the borough would provide sufficient funds for operation of the program. A final decision on the presentation to council will be made at the October meeting of the Recreation Board directors when Lefever presents the report on costs.

Record Balloon Leaves Iron Mine

Bailiff Grins Twice, Causes Two Mistrials

LOS ANGELES (AP)—Roy J. (Rusty) Burrell, 31, a bailiff, will be known around the courthouse from now on as the man whose smiles cause mistrials.

Rusty won \$2,091 in damages yesterday for injuries he and his wife Clara suffered in an auto accident last year. But not before Rusty's broad grin caused two mistrials.

Defense counsel called it "a knowing smile" when Rusty's face lit up during questioning of a prospective juror. So the jury was dismissed. Then when Rusty smiled friendly like at the judge, under whom he had served briefly as bailiff, defense counsel again protested. Jury again dismissed.

So the case was transferred to another judge. This time Rusty kept a straight face and won.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

FIFTY YEARS AGO

General Local Jottings: The old sulphur spring, the attractive feature and drawing card of the famous old summer resort below York Springs which was in ruins, has been cleaned. The people can once more partake of its curing water.

Wm. Hensil was named as policeman of New Oxford by the Town Council at their last meeting. Salary \$5 a month.

S. A. Nagle, former teacher of school No. 1, Abbottstown, has been elected teacher of Clearview school in Oxford Twp along the New Chester road.

The works of Horatio Alger Jr., the noted writer of books for boys, have been barred from the shelves of Worcester public library as being "too sensational and not truthful."

Over 17,000 Autos Licensed: There have been 17,521 automobiles licensed at the State Highway Department since the first of the year. This is far and away ahead of last year.

Local Miscellany: About 150 persons went to Pen-Mar from this place on Wednesday, it being the annual picnic for St. James Lutheran Sunday school.

After two weeks of pleasure, the Masonic Camping club broke camp Tuesday.

The corn and vegetation is badly in need of rain, none of any consequence having fallen here for about five weeks.

Too Heavy For Bridge: While Wesley Wolf of East Berlin, was crossing the bridge at Merkle's run with a traction engine on Thursday several timbers broke and the hind wheels went down. After hard labor the engine was gotten out.

Resigned Position: Miss Helen Stoner, assistant principal of the public schools of Littlestown, has resigned to accept a position elsewhere. The resignation will be accepted with regret by the school authorities of that place, who have found Miss Stoner's work eminently satisfactory.

Paid Damages: While going from Gettysburg to his home near Cashtown with a four-horse load of lumber G. M. Bucher met an automobile near Reynolds avenue. His lead mules ran around and broke the tongue of his wagon. The gentleman who was driving the car stopped as soon as possible and paid the damages.

A Success: The parade and festival given by the Knights of the Golden Eagle at Biglerville Saturday evening was a grand success. The parade was the principal feature. There were five bands in line and that many different lodges represented. E. Dale Heiges was chief marshal and W. B. Heller assistant. The crowd was estimated at about 2,000.

Reformed Pic-Nic: The Reformed church Sunday school will hold its annual pic-nic on the banks of Rock Creek at Barlow this Friday. Free transportation for all the Sunday school has been provided and a nominal charge will be made for members of the congregation. It is hoped by the committee that as many as can will be present to spend the day in pleasure and sociability.

Fires: That Gettysburg did not suffer a greater loss by fire during the past week is due to the excellent work of our firemen and a calm atmosphere at the time when the fires occurred.

Today's Talk

THE GLORY OF MEMORY

I have not been blessed in being given an exceptional memory. Names I forget, as evidenced by the fact that even my dearest friends have names I often momentarily forget. But I easily remember events, the kindness of these friends, and all that they have meant to me. That which went into the formation of my youth, with its thrilling experience however, I recall as though it happened yesterday! I am of the opinion that God thought all this out, and so we are privileged to recall the events and happiness of our youth to give ripeness to our old age.

Nothing is more tragic than to lose one's memory, for it is by this that life is sustained and given inspiration when so many of the events of life creep silently away. Youth is very wonderful for it is so seeded with happy experiences, but its full import is not fully appreciated until, low and behold, it is gone!

Old age forgets, but youth comes to furnish re-enforcements. I am always inspired by youth, for its memory is before me, and it has glory to it. I don't worry about the teen-agers. They are the salt of this earth. They are the carriers of memory. It is good to get their fragrance of thought and their activity of mind. They will come out all right. I was once what they are.

Some of us are fortunate in our allotment of time. Memories float about us. Even the voices of our beloved remain to give us hope and faith. Memory opens the door, and lifts the shades so that the passing memories may be viewed and reviewed. Memories have a glory of their own to offer. Let us wrap them about us to warm our hearts, and to give substance to our belief in life beyond the grave.

Tomorrow Mr. Adams will talk on the subject: "Go The Route!"

Matthew Adams Service

MEMORIES

It's unto these our memory clings:

The old-time friends, familiar things;

The little joys that once we had,

The proofs of faith when we were sad.

These are the treasures of our lives—

The bygone past that still survives.

Psychiatric Institute Cuts Operating Costs

HARRISBURG (AP)—The Eastern Pennsylvania Psychiatric Institute at Philadelphia has made "drastic" reductions in its operations "as a result of budget cuts," the State Welfare Department reported.

The institute, opened recently at a total cost of 12 million dollars has cut its adult patient bed capacity from 300 to 105 and its children's bed capacity from 50 to 25. In addition, the trustees said that because of a cut of two million dollars in its 1957-59 budget it was necessary to abandon a nurses' training program and a training program for clinical psychologists.

PHILADELPHIA (AP)—George Kazian's reaction to a can of flaming gasoline Saturday resulted in the death of his three-year-old daughter, Evelyn.

Kazian, 39, was painting his kitchen and had set the can—for cleaning brushes—on the stove. The pilot light fired it and he frantically tossed the can out the window. Evelyn was playing beneath the window and the flames ignited her clothing.

Fire was discovered in the upper portion of the stable owned by Dr. L. L. Sieber and occupied by the National Par. Commission. Again the firemen responded promptly, but the flames had gained considerable headway. The heat was so great that the stable of Penrose Myers, across the alley, took fire and like the Sieber stable, the upper portion was destroyed.

The stables of Hon. Wm. H. Tipton, John Lynn and E. S. Faber were scorched somewhat, but were saved from destruction.

About five minutes after the alarm was sounded the firemen were playing on the burning buildings with plug streams. It required thirteen minutes to get up sufficient steam to throw water with the engine. That it required a longer time than previously is due to the fact that the gas attachment used to keep water in the engine at a certain temperature was cut off recently, complaint being made by the authorities that the expense was too great.

At 12:20 p.m. Monday the chimneys from the bell in the engine house tower told our citizens that another fire was raging. This time it was the stable of C. A. Stoner on W. High St. As usual the firemen were soon at the scene playing on the flames with a plug stream. However, the fire had gained such headway when discovered that it was impossible to save the building.

The origin of these fires is a mystery.

STATE TO GET U. S. BUILDINGS

WASHINGTON (AP)—A Senate-House conference committee has drafted a compromise measure authorizing over a billion dollars of Army, Navy and Air Force construction, including \$539,000 worth in Pennsylvania.

The bill, however, does not provide any money for the projects and is subject to approval by both houses of Congress. A separate appropriation measure is being considered.

The projects, excluding classified ones, include:

Army—New Cumberland General Depot, \$464,000.

Navy—Johnstown Air Development Center, \$39,000.

Mechanicsburg Ordnance Supply Office, \$155,000.

Philadelphia Aviation Supply Office, \$550,000.

Air Force—Olmsted AFB, \$1,673,000.

Marietta AF Station, \$2,438,000.

U. S. DIPLOMATS TRY TO IMPRESS ARAB NATIONS ON RED PERIL

By WARREN ROGERS JR.

WASHINGTON (AP)—American diplomats in the Middle East are trying to impress on Arab nations the danger of Syria becoming a Soviet satellite.

Officials said, without elaboration, there was evidence already that Syria's neighbors were gravely concerned.

These officials expected other Arab countries to counsel Syria's government against drifting any closer toward Kremlin domination.

Action Not Ruled Out

U.S. officials were adding support, authorities said, to this counsel in talks with Arab diplomats in Jordan, Lebanon, Iraq, Saudi Arabia and even Egypt, which itself is closely involved with Moscow through heavy arms purchases.

Possible action by the Arab League was not ruled out. Nor was it considered beyond possibility that Egypt's president Nasser might throw his weight into the breach opened by the Communists in the Arab position against undue influence from either East or West.

Nasser has ample opportunity to do this, if he wishes to, Syria's President Shukri Kuwaty is in Egypt to consult with Nasser and get medical attention. Kuwaty went there just before appointing Gen. Afif Bizry, variously called a Communist and a confirmed pro-Communist, to head the Syrian army.

Beyond talking to Syria's neighbors, no American plan has been as yet for coping with probably the most determined bid yet by Moscow for the Middle East's people, oil and real estate.

British Ambassador Sir Harold Caccia yesterday declared Syria is following a pattern which may make it Russia's first Middle East satellite.

If that happens, the Communists will have succeeded where the Czars failed. The Russians already have a foothold in Egypt, thanks to Nasser's purchase of some 250 million dollars worth of Soviet arms, including submarines. Syria, too, expects to get submarines in its estimated 70-million-dollar arms deal with Russia. Afghanistan is buying about 30 million dollars worth of Communist arms and Yemen about 20 million.

Fingerprint Experts Seek Victim's Identity

WALL TOWNSHIP, N.J. (AP)—Fingerprint experts have been called in to try to identify one of four persons killed in the crash of a Public Service bus on the Garden State Parkway here Sunday.

State police said the unidentified middle-aged man was not carrying a single item that might provide a clue to his identity. They called in the fingerprint experts last night in hopes the man's prints might lead to his family.

Three of the dead were finally identified more than 14 hours after the accident took place. Killed instantly were Mrs. Eva H. Distenfeld, 60, of Brooklyn, N.Y., and Mrs. Lena Greenberg, 62, of New York City. A third victim, Miss Purcua Sunna, 45, of New York City, died of her injuries in Pitkin Memorial Hospital early yesterday.

State police said a charge of causing death by motor vehicle would be placed against the bus driver, Lester Hooker, 35, of Irvington. This is a technical charge brought automatically in the case of a fatal accident.

COMMUNIST CONTROL ACT

In 1950 Congress passed the law for forcing the party to register as a Russian agent and reveal its membership. In addition, the law imposed a whole series of prohibitions and penalties on party members.

Before any of those things could happen, these steps would have to be taken:

The government would have to charge the party—before the Subversive Activities Control Board—with being a Russian agent. (The government did.)

Procedure Followed

The SACB would have to hold hearings to let the party answer the charges. (The board did and the hearings lasted months.) Then the board would have to rule the party was truly a Moscow tool. (It did.)

Still nothing could happen until the party sought through appeals to the courts to get the ruling declared invalid and the act itself ruled unconstitutional. (The party carried its fight to the courts.)

This whole chain of events began seven years ago, shortly after the 1950 act was passed. The case has now been in the courts for years, and it may take more years before there is a final decision from the Supreme Court.

E. T. Trigg, Banker, Dies In Malvern

WEST CHESTER, Pa. (AP)—Ernest T. Trigg, vice president of the Board of City Trusts and a prominent paint manufacturer and industrialist, died yesterday at his home in suburban Malvern. He was 80.

Trigg was a member of President Wilson's Industrial Conference in 1919 and of President Harding's Unemployment Conference in 1921. He served as a director of the executive committee of the U.S. Chamber of Commerce in 1928.

He was a native of Illinois and was associated with the Heath & Milligan Manufacturing Co., of Chicago from 1895 to 1908, when he became general manager of John Lucas Co., paint manufacturer. He was president and general manager of the firm from 1912 to 1933. He was president of the U.S. Paint Manufacturers Assn. in 1912 and president of the National Paint, Varnish and Lacquer Assn. from 1933 to 1947.

He is survived by a son, Ernest T. Trigg Jr. of West Chester.

Funeral services will be held Thursday.

Carlisle Man Killed In 3-Car Accident

CARLISLE, Pa. (AP)—Walter L. Brown, about 55, of Carlisle, was killed last night in a three-car collision on U.S. 11 about 100 yards from the Carlisle Interchange of the Pennsylvania Turnpike.

State police said Brown, driving westward alone, became sick and lost control of his car. It careened into an oncoming car and then a third auto plowed into the wreck. Thomas Lebo 19, of Carlisle, driver of the second car, was hospitalized and two of his passengers treated for minor injuries. The third driver suffered cuts.

Minneapolis has won the National Basketball Association playoffs five times in the 11-year history of the league.

ATOMIC POWER BILL IS FACING STUBBORN HOUSE

By ROBERT D. NOVAK

WASHINGTON (AP)—Drafters of a Democratic program for government construction of atomic power reactors predicted today it will be approved by a reluctant House.

Most of the program, devised by the Senate-House Atomic Energy Committee, was included in a 352-million-dollar atomic authorization bill approved by a conference committee late yesterday.

Most of the items in the bill are noncontroversial. They cover regular authorizations for Atomic Energy Commission construction work in the year ahead.

Approval Anticipated

The compromise bill was expected to come up in the Senate first, possibly today. Approval was anticipated there.

The House two weeks ago eliminated all the reactor projects in a victory for the Eisenhower administration, which opposed them. But the program was approved in full by the Senate last Friday night, forcing the issue into a Senate-House conference.

Representatives Durham (D-NC) and Holifield (D-Calif.), members of the conference committee predicted to newsmen that the House would not reject the proposals a second time.

West Starts Final Tour Of East This Season And Last Visits To The Polo Grounds

By ED WILKS
The Associated Press

That's a weird game of Russian roulette, with a strange twist, that Milwaukee, St. Louis and Brooklyn are playing in the National League pennant race. You're dead if you shoot a blank.

The Braves, even with a 6½ game lead, can't afford to ease off. The Cardinals, in second after their worst slump in a decade, can't afford anything less than a quick winning string. And for the third-place Dodgers it's Brooklyn against the world with nobody a pushover any more.

That's the picture as the West makes its final tour through the East this season — and its last stand at the Polo Grounds, where New York's Giants are starting to pack for the trip to San Francisco.

Braves, Cards Have Edge
From the record, Milwaukee and St. Louis have the edge, with the best road records in the league. The Braves are tops at 36-21 (.632). The Cards are 33-21 (.600) but are at their best in the East. St. Louis stands 21-13 (.618) in the East, while the Braves are 22-14 (.611).

The Dodgers, meanwhile, have the best home record in the league at 36-24 (.600) and are 21-14 (.600) against the Western clubs.

The Braves open their eight-game tour with their final game at Pittsburgh tonight.

Cards Face Giants
The Cardinals open at the Polo Grounds with a two-nighter in a three-game set with the Giants, who have won 11 of their 4.

The Redlegs have a two-nighter at Ebbets Field tonight. The Chicago Cubs play two at Philadelphia.

If there are any die-hards left who insist the New York Yankees don't have the American League flag locked up with their 7½ game lead, the champs' current Western trip ought to be the convincer. The Yanks open a three-game set at Kansas City tonight. They're 16-1 against the A's.

There was only one game in the majors yesterday and Kansas City defeated Cleveland 1-0 with a combination of long shots. Tom Gorman (3-7), who hadn't had a complete game in almost a year and hadn't pitched a shutout since 1952, beat the Indians with a four-hitter—riding in on an RBI single by Tim Thompson, who was 0-for-42, going back to July 23. Ray Narleski lost it with a five-hitter for a 9-3 record.

Eastern League

By THE ASSOCIATED PRESS
After playing dead with only four hits and no runs for eight innings, the Reading Indians were suddenly swarming all over the bases in the ninth of last night's game with visiting Schenectady.

But the Blue Jays held their fort with the aid of Marco Mainini's relief pitching and a double play. The Jays won, 3-2, and moved to within two games of idle Binghamton in the Eastern League pennant race.

First-place Binghamton's game at Albany was postponed by rain. Springfield and Allentown had no game scheduled.

At Williamsport yesterday, league President Tommy Richardson announced that, starting today, teams might increase their rosters from 18 to 32 players, including the manager.

HISTORY PROF CONQUERS ERIE AFTER 35 HOURS

SANDUSKY, Ohio (AP)—A 36-year-old ex-Marine, urged on by an escort of Marines and Navy men, became the first man in history to swim Lake Erie when he walked out of the water onto the beach at Point Pelee, Ont., Canada, last night.

If it had not been for the urging of the escort in boats nearby, Dr. Harry Briggs Jr., a history professor at the University of Alaska might not have completed the 32-mile crossing.

Briggs, who fell exhausted on the beach after walking out at Point Pelee, said he had been ready to give up when he was only a few miles from his goal. At that point, said Gib Shanley, sports director for Toledo radio station WOHO, Briggs reported he was unable to see. Briggs does not wear goggles.

Vision Cleared
But his vision cleared, and Briggs saw the people on the beach cheering him on, said Shanley, who was with the swimmer's escort. At that point Briggs told the escort he would hit right on Pelee Point, a sandy beach jutting into the lake.

His stroke suddenly became more powerful, and he went straight on, hitting the point "right on the nose," said Shanley. Briggs said the first 10 hours of the 35-hour grind "weren't too good." The next 10 hours were a little better, but he felt like quitting six miles from the Canadian shore. He left Port Clinton, Ohio, at 8:45 a.m., Saturday.

Almost Embarrassed
Leading the group urging Briggs on was Marine Lt. Robert Hooley of the 8th Infantry Battalion, near Toledo, who had accompanied Briggs on two previous unsuccessful attempts to swim the lake.

After sleeping a few hours he reported that he still could not see too well but felt fine otherwise.

"He had more presence of mind than the rest of us at Pelee," said Shanley. "Briggs, who swims without a bathing suit, was the only one who remembered the trunks at Pelee. We rummaged around the boat and found them so he could go ashore."

TOP 12 IN BIG BUSINESS CLEAR \$100 MILLION

By SAM DAWSON
NEW YORK (AP)—The top money makers in the ranks of big business are doing decidedly better than the average corporation this year. Their combined profits are also well ahead of last year and of 1955.

In the first six months of this year 12 nonfinancial corporations cleared more than 100 million dollars each after taxes. All but one of them (top-place General Motors) made more than in the first half of 1956. All but two (GM and Ford Motor) had higher first income after taxes than in the first six months of prosperous 1955.

The top dozen had combined profits of \$2,808,200,000 in the first half of 1957, a gain of 11.4 per cent over the \$2,520,300,000 the same 12 made in the first six months of 1956, and a gain of 11.3 per cent over the 1955 first-half total of \$2,521,800,000.

Average 45
For 588 corporations first to report on 1957 profits, the increase over last year's first-half total averaged 4.5 per cent.

The list of corporations topping the 100-million-dollar mark has increased each year. In 1955 there were 10 such companies. In 1956 Gulf Oil joined the group. This year Bethlehem Steel makes it an even dozen.

Although down both from last year and 1955, GM still is first with 481 million dollars net in the first half, off 4.4 per cent from a year ago, and off 27.2 per cent from 1955 when it set a record 661 million dollar pace.

Near GM
Jersey Standard Oil is now close behind GM with 463 million dollars, up 18 per cent from last year and 34.5 per cent from 1955. The Bell Telephone System continues to hold third place with 418 million dollars, a 15 per cent gain over a year ago.

Making better than 200 million dollars each this year are fourth-place U.S. Steel and fifth-place Du Pont. Gulf Oil has climbed quickly to sixth spot, with Ford close behind.

Three more oils follow: Texas in eighth spot, California Standard ninth and Socony Mobil tenth. General Electric, sixth in 1955, dropped to 41th place both last year and this.

Bethlehem Steel with 104 million dollars fills out the list.

HARRISBURG (AP)—The four-day annual State Junior Legion Baseball Tournament gets under way tomorrow with six games scheduled at three Harrisburg and three out-of-city sites. The out-of-town games are scheduled for nearby Middletown, Hershey and New Cumberland.

Entries in the tourney, with the champion to be decided Saturday, are: Republic, Pittsburgh, Leesport, Pottstown, Conyngham, Glen Rock, Bloomsburg, Fredericksburg, Monongahela, Ford City, Philadelphia and Manheim.

GIANTS MOVE IN OCTOBER; BUMS MAY BE NEXT

By JOE REICHLER
NEW YORK (AP)—The Giants, after three quarters of a century in New York, have decided to relocate their baseball franchise in San Francisco.

The official move will come sometime between Oct. 1 and Oct. 31, the specified time for any such action.

The Giants are not expected to make the 3,000-mile trek across the country alone. In all likelihood their long-time rivals, the Brooklyn Dodgers, will move to Los Angeles.

President Walter O'Malley of the Dodgers was not available for comment but an announcement regarding the Dodgers' intentions is expected sometime next week when the board of directors meets to consider a move to California.

Declined Comment
Horace Stoneham, Giant president, declined to discuss the possibility of the Dodgers' moving, but another Giant official, who declined use of his name, said emphatically: "You can bet all the money you've got the Dodgers will be in Los Angeles next year."

A Los Angeles resident who expressed certainty of the coming of the Dodgers was Leo Durocher, onetime manager of both the Dodgers and Giants.

"I thought the Dodgers were almost a 'clinch' to come first but it looks like the Giants have simply beaten them to the punch," Durocher said.

Poor Attendance
Stoneham's reason for recommending the transfer was poor attendance.

"We had to go now," he said, "because if we had waited until our lease at the Polo Grounds expired in 1962, there probably wouldn't be a good place left to move. Another thing, if we hadn't acted as fast as we did, some other club would have beaten us to San Francisco. They made us such an attractive offer, we just couldn't turn it down."

The "attractive offer" included a 45,000-seat stadium to be built by San Francisco, at a rental of 5 per cent of the attendance, plus ownership of the concessions.

Use Seals Stadium
"We plan to play in the Seals Stadium next season even though I have been told the park might be ready in 1958," said Stoneham. "Even with its limited capacity (22,000), I'm certain the attendance will be well over a million. Together with a million and a half guarantee we will receive from our contract with Skiatron, which will telecast our home game on a pay-as-you-see basis, I can visualize a more profitable year than any we ever had in New York."

Eight of the nine members of the Board of Directors voted for the move. The lone dissenter was M. Donald Grant, a Wall Street broker, who thought the Giants should remain in New York.

70,000 WATCH SOAPBOX DERBY

AKRON, Ohio (AP)—For the second time in the 20-year history of the All America Soapbox Derby, the champion is from Anderson, Ind. A crowd of 70,000 watched on Sunday as a blue and white racer driven by 15-year-old Terry Townsend flashed to a length-and-a-half victory in the championship heat. Another Anderson boy, Maurice Baile, Jr., now a farmer, took home the grand championship in 1935.

Terry's racer covered the 975.4-foot distance down the dark green concrete runway at Derby Downs in 27.18 seconds, an average of over 24 miles an hour. First prize was a \$5,000 scholarship.

David Hakman, 15, of Los Angeles won a \$4,000 scholarship for his second-place finish. A Canadian boy, Andy Vaske of St. Catharines, Ont., finished third. He won a \$3,000 scholarship. A \$2,000 scholarship was the fourth-place prize won by 14-year-old James Pryor of Long Beach, Calif.

Richard Adams, 15, of Shamokin, Pa., finished sixth.

Special awards were handed out at the championship banquet Sunday night. Ken Fairman of Indiana, Pa., was cited for the best designed car.

PATTERSON IN TOP CONDITION; PETE IS CALM

By JACK HEWINS
SEATTLE (AP)—This is tapering off day in the champion's camp as Floyd Patterson winds up training for a Thursday bout that manager Gus D'Amato calls the "most heavily publicized fight in 30 years."
"Not even the Dempsey-Tunney fights captured the interest of press and public as this one has," D'Amato said yesterday while Patterson was winding up his strenuous training program in Kent, Wash.

Some 20 miles away, at Issaquah, challenger Pete Rademacher planned one more session of heavy work today before breaking camp. The Olympic champion from Grandview, Wash., and Columbus, Ga., retains his air of quiet confidence as fight time nears.

Has No Qualms
Although the majority of his bouts as an amateur—he had 79 and won all but seven—were booked for three two-minute rounds, 210-pound Pete says he has no qualms over the prospect of going 15 three-minute rounds against the champion.

"I'm actually calmer now than I was before the Olympics," said the challenger last night. "Then I didn't know what fighting styles I would be up against."

"But now I've watched Patterson five times on television. I know his style. I feel I'm ready to meet any type of attack the champion may select and I plan to let him set the pattern."

Patterson, refusing to consider Rademacher anything but a dangerous opponent, has stuck faithfully to a stiff training program. The champion will go into the bout weighing about 184 and, D'Amato says, "in peak condition, physically and mentally."

Promoter Jack Hurley biting back acidly at the detractors as "tools of the International Boxing Club," is stacking up a pile of shekels from advance ticket sales. These had reached some \$200,000 yesterday and most local observers were expecting a \$400,000 sell-out.

That would be the total income from this fight, which will not be televised nor broadcast. Hurley will take 40 per cent and Rademacher's Georgia backers 60 per cent, which leaves them at least \$100,000 short of meeting their guarantee to Patterson. Should Rademacher win, they feel they will be in position to recoup.

BARUCH'S 87TH BIRTHDAY WISH: WORLD AT PEACE

OLD WESTBURY, N.Y. (AP)—Bernard M. Baruch, adviser to presidents and park-bench philosopher, celebrates his 87th birthday Monday with one wish: to see the dawn of world peace.

The Camden, S.C., native, who amassed three million dollars by the age of 32, will spend the day at a summer cottage here on Long Island. He expects visits from his three children.

On Sunday, Baruch sat on a porch and talked informally about making his first million dollars, the difficulty of finding a formula for betting on horse races and deploring that he never drank intoxicating liquor.

"I've never been a teetotaler of anything in my life," he said.

Agreements False
The famous stock market trader and government fiscal expert grew serious when the conversation drifted to world peace and the Baruch plan for atomic control, which the Soviet Union rejected.

"If I had one wish to be granted me, I should like to see a start made toward permanent peace in the world. Agreements between nations will not guarantee it."

"There must be an international authority which owns all the natural resources and fissionable materials required to wage atomic war. The authority must also have control of the necessary scientific and metallurgical processes."

Mind Still Keen
"Then all the world's atom bombs must be handed over to the authority for debombing. The danger of contamination by fallout is thus eliminated because there would be no testing of atomic weapons. All atomic energy will be utilized for peaceful purposes."

Baruch's 6-foot-4 frame is sparse and bent only slightly. He talks in a rush, indicating that a brain which was at the service of every president since Woodrow Wilson is still keen.

Would Russia ever accept his plan for world peace? "I believe that public opinion, the Russian people, will eventually force their leaders to approve it."

One of four sons of Dr. Simon and Belle Wolfe Baruch, he moved with his family to New York at the age of 11. A graduate of City College of New York, Baruch entered Wall Street as a runner at \$3 a week.

The first volume of his autobiography, "My Own Story," was published Monday. The second is scheduled for the fall of next year. He hopes to work on it Monday if visits from his children, Mrs. Belle Wilcox, Mrs. Eene M. Samstag and Bernard M. Baruch Jr., and a rush of telegrams will allow.

"Who the hell wants to celebrate an 87th birthday," he exclaimed. "That's all right for youngsters of 60 or 70."

By STERLING SLAPPEY
MOSCOW (AP)—The most luxurious thing in the Soviet Union is the Russian jetliner TU104.

Three stewardesses serve vodka, caviar on toast and fresh oranges. They fuss over you just like stewardesses do between Paris and London or between Denver and Los Angeles—but there is a difference. You get fussed over so little in the Soviet Union that when it does happen you glow.

Seats do not recline far enough but they are soft and comfortable. The interior color pattern is red and pink and there are two capitalistic looking front lounges where the fortunates in this workers' paradise relax in flight and appear for all the world like corporation vice presidents on the way to a sales conference in Chicago.

Vodka Stop Roar
The blast from two big jet power plants is bothersome toward the back of the plane but up front it is a kittenish purr and after two or three of those vodkas you can't hear the noise at all.

Each of the 70 seats is without a safety belt. Russians don't believe in them.

The TU104 is so fast you don't have long to enjoy the comforts. The medium jet flies from Moscow to Prague every day in 2½ hours. That's the same as flying from New York to Kansas City in about the time it takes to see a movie. Other TU104 routes go out of Moscow daily to Tashkent in the Uzbek Republic, to southern Russia and all the way across Siberia to Peiping.

Propaganda Plum
It is the only jetliner in the world on regularly scheduled flights. Britain's original Comets were failures and the first American jets from Boeing and Douglas will not take on paying passengers for another couple of years.

This is a propaganda plum for the Russians. The pitch is skillfully done and no mention is made that the 104 is redesigned from a bomber and that it drinks jet fuel at such a prodigious rate no commercial airline in the world could afford to operate it.

8 Sought Peach Dessert Title

These eight girls competed for the Adams County Peach Dessert Queen title Monday afternoon in a contest at Bob's Diner, near Aspers, conducted under the auspices of the Auxiliary of the Pennsylvania State Horticultural Society. The winner, front center, Anna Mae Stambaugh of York Springs High School, will go to York Saturday for the state contest.

Shown above, left to right, are: Seated, Martha Zepp, Gettysburg R. 4, third place winner; Miss Stambaugh, and Miss Pamela Wolff, Gettysburg R. 3, Biglerville High School student who placed second; standing, Nancy Baltzley, McKnightstown; Ellen Sites, Fairfield; Audrey Adlesberger, Fairfield R. 1; Jean Sites and Loretta Byers, both of Fairfield.

GIGANTE HELD IN SHOOTING OF FRANK COSTELLO

NEW YORK (AP)—A pudgy former boxer and small-time gambler faces arraignment today in Felony Court on a charge of attempted murder in the May 2 shooting of racketeer Frank Costello.

Vincent L. (The Chin) Gigante, 29, was charged last night, seven hours after he surrendered voluntarily at a police station. He was held overnight.

He had been sought by police sengers for another couple of years.

This is a propaganda plum for the Russians. The pitch is skillfully done and no mention is made that the 104 is redesigned from a bomber and that it drinks jet fuel at such a prodigious rate no commercial airline in the world could afford to operate it.

because he roughly fits the description of a "fat man" placed at the scene of the assassination attempt nearly four months ago.

Fits Description
The shooting suspect was described as a 235-or 245-pounder, 30 to 35 years old, six feet tall, with heavy thighs and a pot belly, how wears a size 50 suit and waddles when he walks.

Gigante is 5 feet 11 and weighs 215 pounds. Costello suffered a superficial head wound in the bungled assassination attempt. Brought in to face Gigante during the questioning, Costello was described as "very cooperative" by police.

The underworld kingpin reportedly had given police no help in their search for his assailant. Whether the 67-year-old Costello identified Gigante, police would not say. Nor would they say whether five other witnesses identified him.

Jockey George Hettinger works on leather for a hobby. He has his own hand-stitched saddle. Allegheny football coach William (Red) Moore, a Penn State Alumnus, also coaches wrestling.

42 POLICEMEN GUARD NEGROES IN LEVITTOWN

LEVITTOWN, Pa. (AP)—A Negro family moved into this all-white community under police protection yesterday. Some residents greeted its arrival with jeers and stone throwing.

"All I want to do is be a good neighbor and I hope others do the same," said William J. Myers, 34, in his new ranch-style home.

Last night, 42 state policemen were busy keeping some 250 protesting neighbors in this sprawling development of 15,000 homes pushed back two blocks from Myers' home.

Two Hit, One Arrest
Rocks were hurled and a trooper and a news photographer were struck. One man was arrested on a charge of disorderly conduct.

State Police Lt. J. M. Wicker shouted over a loud-speaker: "You have struck one of my men. I will not tolerate this. I give you 10 minutes to get back to your homes."

Twenty-two troopers lined up with riot sticks and forced the crowd back. The sticks were used on one resident who Wicker said was cursing officers and resisting the police line. He was identified as Donald Walker, 34, a truck driver, of Levittown, who was fined \$10 after pleading guilty to a charge of disorderly conduct.

By midnight, all but a handful

of the crowd had returned to their modernistic, low-slung houses. The police force was cut to four troopers guarding the Myers home.

All was quiet at the house in the Dogwood Hollow section, where Myers moved in with his wife Daisie, 32, and one of their three children. Two other children are staying at the home of relatives.

At a news conference, Myers said, "I don't believe the demonstrations that have been held present a true picture of the feelings of the people of Levittown. All people are good of heart."

His Own Decision
"I expected there might be some trouble when we bought this place, but I didn't think there would be so much."

The college-educated Negro told reporters he paid \$12,150 for his home, buying it from previous owners who had rented out the house for some time.

He declined to say what his income is as a refrigeration mechanic in nearby Trenton, N.J. Myers emphasized that the purchase of the house was his own decision and that he has had no backing, financial or otherwise, from any group or organization.

Benjamin Franklin held honorary degrees of doctor from both Oxford and St. Andrews Universities in Britain.

Named Commander Of Order Of Purple Heart

HARRISBURG (AP)—Frederick A. Kline, Mechanicsburg, is the new state commander of the Military Order of the Purple Heart.

He succeeded William P. Hayes, Scranton, in unopposed elections at the close of a two-day convention Saturday.

Other new officers: Robert Schumack, Hazleton, senior vice commander; Max Pancher, Hazleton, junior vice commander; Charles Showalter, Lancaster, financial officer; Adrian McGee, Beaver Falls, deputy inspector; Ernest Slaughter, Harrisburg, sergeant-at-arms, and James Spence, Harrisburg, judge advocate. The group also adopted a resolution asking that school teachers be required to take an oath that they were not Communists for a five-year period prior to taking their jobs.
